VIETNAM PURE WHITE

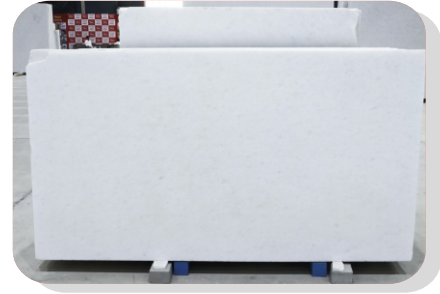

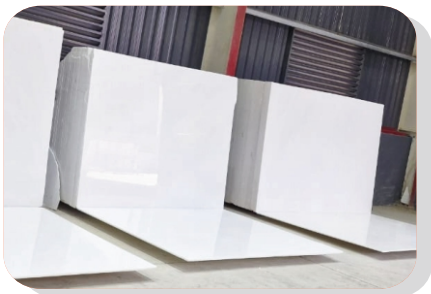

Vietnam Pure White is the epitome of luxury and sophistication, offering a flawless white background with minimal veining. Its high-gloss finish reflects light beautifully, enhancing the spaciousness of any interior. This premium marble is widely used in flooring, wall cladding, and architectural elements due to its durability and

aesthetic appeal. Its uniformity and purity make it a top choice for modern and classic designs alike. The marble's dense composition ensures long-lasting strength and resistance to wear. Whether used in high-end residences, hotels, or commercial spaces, it exudes a timeless charm. Its smooth texture and pristine whiteness create a sense of elegance and refinement. Vidhyanand Marble offers carefully curated slabs to meet diverse design preferences and project requirements.

VIETNAM LASA WHITE

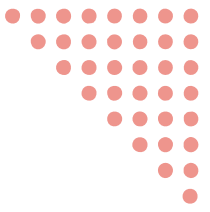

Vietnam Lasa White is a premium imported marble known for its soft white background with delicate, flowing veins. It brings an elegant and sophisticated touch to both residential and commercial spaces. With its balanced color tones and refined texture, this marble enhances the aesthetic appeal of interiors. Its durability and

resistance to wear make it ideal for high-traffic areas. Vietnam Lasa White marble is known for its elegant patterns and natural veins that create stunning designs in flooring. Its unique blend of soft waves and bold streaks enhances any space with a luxurious touch. Vidhyanand Marble offers a wide range of exquisite designs to suit your style and vision.

Vidhyanand Marble is equipped with the latest hydraulic cranes and automated loading systems for the safe and efficient handling of marble.

Superior Processing Capacity & Advanced Infrastructure

Vidhyanand Marble has a robust processing capacity, handling large volumes of Vietnam White marble with precision cutting, polishing, and finishing. Their advanced machinery ensures high output while maintaining superior quality standards.

Proud Moment India's First Micro Wire Marble Cutting Machine

Vidhyanand Marble proudly houses India's first Microwire Marble Cutting Machine from Bhagwati Tools, a groundbreaking innovation in marble processing. This advanced machine ensures ultra-precise cutting, minimal material wastage, and unmatched efficiency, redefining industry standards. With its state-of-the-art microwire technology, it delivers flawless slabs with superior smoothness and accuracy. The installation of this cutting-edge machinery showcases Vidhyanand Marble's dedication to quality and innovation. This milestone enhances production capacity and reinforces their position as a leader in premium Vietnam White marble processing.

Om Toshniwal's Admiration for Amitabh Bachchan

Mr. Om Toshniwal,
a great admirer of
Bollywood legend
AMITABH BACHCHAN
once honored him by
gifting a marble statue
of his parents as a token
of respect. His passion
for craftsmanship and
admiration for **Big B** reflect in this heartfelt gesture.
Every year, he also celebrates Amitabh Bachchan's
birthday at his workspace with great enthusiasm

Kishangarh Marble Association Strengthening Trust & Transparency

Marble Association Kishangarh is dedicated to overseeing the entire marble industry in the region, ensuring smooth operations and addressing all customer concerns while keeping financial aspects in mind. Our goal is to maintain a strong bond of trust and harmony between dealers and customers, fostering a fair and transparent business environment.
